Spiritual Growth**

**August 22 - November 14, 2018**

**What is CPU?**

CrossPoint University is an opportunity for you to grow and develop in your relationship with Jesus Christ as we continue in our passion and commitment in building the Kingdom of God. Through CrossPoint University, you may grow in knowledge, practical application, and skill that will aid in your spiritual growth and in reaching *JUST ONE MORE*.

On Wednesday evenings you may select a Bible study or a discipleship course from the list in this brochure. Prayerfully select a class that will challenge and encourage you in your faith development. It is God's desire that each one of us continues to mature as followers of Christ.

*I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.*  
*Ephesians 3:17-19*

**How do I choose a class?**

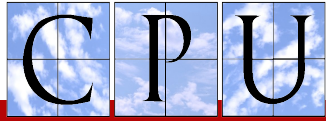

The 2018 Fall semester of CrossPoint University includes nine classes. Some classes focus on theology and will help you know God better and more clearly understand how he interacts with us. These classes provide important insight into how God relates to us and wants us to grow as his children.

Other classes address practical, everyday challenges with answers from God's word. These classes provide excellent opportunities for you to learn to regularly apply God's word in your relationships with your loved ones, in dealing with life's hurts and struggles, in handling God-given resources, in approaching health from a biblical perspective, and more.

Prayerfully choose a class that will be most helpful to your growth as a follower of Christ.

If you have a question about a class or about CrossPoint University, please feel free to contact Chris Howell, Minister of Adults, at 205.655.0364 or [chowell@crosspointchurch.info](mailto:chowell@crosspointchurch.info).

## **Bible Stories for Adults** 12 weeks

This semester we will look at the actions taken by the apostles after their Lord ascended into heaven, and we will see how their actions and reactions at that time affect us today. Psalm 107 is a call to worship, a reminder that each season of life is an opportunity to reveal the anchor of our souls. Learn to face storms and deserts with courage and trust in Jesus. Studying the book of Nehemiah will inspire you to listen to what God has put in your heart to do. Let God break your heart for the hurting, because he often uses a breaking heart to restore the broken.

However, have you ever considered why God commanded us to missions? In this class we will explore the theological foundation for missions and how a true desire to worship God fuels a desire for missions.

## **M.E.E.T - Muslim Engagement & Evangelism Training** 6 weeks

Islam is often in the headlines. With many headlines being negative, it's easy to let our Christian identities fade behind our American citizenship. The cultural truth, though, is that we each have Muslim neighbors who don't conform to the headline view of Muslims and their faith. Further, the Gospel truth is that every one of our neighbors is loved by God and in need of Jesus' gift of salvation. *5:9 Ministries* (based on Matthew 5:9) wants to help you effectively build bridges to the Gospel message with your Muslim neighbors, share the Gospel more confidently with them, and effectively respond to common objections Muslims have toward Christian faith. We will equip you to navigate spiritual conversations and present the reasonable foundation for your Christian faith.
