Spiritual Growth**

February 5 - April 29, 2020

What is CPU?

CrossPoint University is an opportunity for you to grow and develop in your relationship with Jesus Christ as we continue in our commitment to building the Kingdom of God. Through CrossPoint University, you may grow in knowledge, practical application, and skill that will aid you in your spiritual growth and in reaching *JUST ONE MORE*.

On Wednesday evenings you may select a Bible study or a discipleship course from the list in this brochure. Prayerfully select a class that will challenge and encourage you in your faith development. It is God's desire that each one of us continues to mature as followers of Christ.

I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.
Ephesians 3:17-19

How do I choose a class?

The 2020 Winter/Spring semester of CrossPoint University includes ten classes. Some classes focus on theology and will help you know God better and more clearly understand how he interacts with us. These classes provide important insight into how God relates to us and wants us to grow as his children.

Other classes address practical, everyday challenges with answers from God's word. These classes provide excellent opportunities for you to learn to regularly apply God's word in your relationships, in handling God-given resources, in approaching life from a biblical perspective, and more.

Prayerfully choose a class that will be most helpful as you continue to develop as a follower of Christ. If you choose a six-week class, you will have the opportunity to take two classes during the 12-week semester.

If you have a question about a class or about CrossPoint University, please feel free to contact Chris Howell, Minister of Adults, at 205.655.0364 or chowell@crosspointchurch.info.

Winter/Spring Classes

Walk with God

Walk with God is a 7-week practical guide to following Christ. *Walk with God* is the first book in the three-part disciple-making tool called the *Grow Series*. Each week looks at a fundamental truth of how to walk with God. Each week builds upon the previous week, unfolding practical things you can do to draw close to God. We encourage people to go through *Walk with God* in a group of 2 - 4 individuals to discuss what you learn each week and how you are putting it into practice.

This is a closed group. Our hope is that by early 2021 we will have enough multipliers trained to lead other groups.

Slaying the Giants in Your Life (12 weeks)

How do we defeat giants like guilt, failure, worry, temptation, and doubt? These are daunting giants, but thankfully we have access to God's word, which is a wealth of knowledge, encouragement, and power. In this practical study, you can better understand twelve giants that may discourage you and find specific Scripture to defeat each one so that you can walk in victory as a follower of Christ.

Better: A Study of Hebrews (Women's Class, 12-weeks)

In this verse-by-verse study of Hebrews, you will explore how God "provided something better for us" in the person of Jesus Christ (Heb 11:40). Through stories of Old Testament heroes and practices, the author of Hebrews demonstrates how the new covenant is superior to the old and how Jesus Christ is the fulfillment of every promise. Explore familiar verses in context of the entire Bible and learn how to place your hope and faith in Christ alone.

The Truth Project (13 weeks)

Recent research shows that only 9 percent of professing Christians have a biblical worldview. *The Truth Project* was created to counter the secular worldview embraced by many Christians today. This course will revolutionize the way you view the world and how you apply Biblical truth. We will discuss in great detail the relevance and importance of living the Christian worldview in daily life.

Effective Ministry: One-on-One (6 weeks: 2nd 6-weeks only)

At CrossPoint we believe that every member is a minister. As a member, you are expected to minister to others. But as you minister, you may ask, "How do I do this? How do I visit and minister to people in various stages and situations of life?" In this class we will explore effective ways to help the seriously ill, the hurting, the lonely, the grieving, and the rebellious whether they are believers or spiritually lost.

Something Needs to Change (6 weeks: 2nd 6-weeks only)

When David Platt took a trip to the Himalayan mountains, the staggering hardship he witnessed transformed the trajectory of his life. Now, in this study, he's inviting you to reflect and wrestle with him as he describes his life-altering trek through the Himalayas. You'll ask hard questions alongside Platt about human need, suffering, faith, the gospel, and our role. For Christians, ignorance of profound human need is not an option. Neither is indifference. It's time to explore what it means to follow Jesus in a world of urgent physical and spiritual need.
