## **CrossPoint Missions Expo 2020**

**CROSSPOINT**  
just one more

Dear CrossPoint,

In 2019, you responded faithfully to the Lord's command to go into all nations making disciples of the Lord Jesus Christ. It is truly a blessing to be able to serve in a church that lives out this calling every day, whether at home, work or school, or in a foreign land. During the year, hundreds of CrossPointers actively engaged in local mission projects. Some of you built handicap ramps, while others collected food for the hungry. Our students hosted sports camps for local children, performed yard-work for senior citizens, and delivered baked goods to local businesses. Many of you continued to serve with Gospel-centered local ministries. Meanwhile, others of boarded a plane and travelled domestically and abroad for the sake of the Gospel. During 2019, we visited 8 countries over 4 continents providing assistance and encouragement to our mission partners around the world. Also, CrossPoint, you continued to give. You gave generously! In 2019, you gave over \$355,000 to the Missions Stream – our highest year ever! Through your generosity, we were able to continue to provide scholarships for mission trips, as well as meet various needs of our mission partners. For example, your generosity allowed dozens of pastors to be trained in China, India and Peru and provided supplies for the construction of an orphanage in Romania. You assisted in the founding of a local prison ministry. You provided relief to communities impacted by devastating storms. You bought Bibles for women rebuilding their lives after incarceration. You supported local foster children. The Lord has used you greatly, CrossPoint!

As we look to 2020, my prayer for us is simple. May the Lord continue to accomplish His mission through our obedience to our calling to be His witnesses in Jerusalem, Judea and Samaria and to the end of the earth (Acts 1:8). This January, as we reflect on this command, I want us to consider how we will be witnesses for Jesus Christ locally, domestically and internationally. How will you be His witness in 2020 here, there and everywhere?

In Him,

*Buck Poole*

Minister of Missions
