2021**

**Mid-Week
Spiritual Growth**

August 18 - November 3, 2021

What is CPU?

CrossPoint University is an opportunity for you to grow and develop in your relationship with Jesus Christ as we continue in our commitment to building the Kingdom of God. Through CrossPoint University, you may grow in knowledge, practical application, and skill that will aid you in your spiritual growth and in reaching *JUST ONE MORE*.

On Wednesday evenings you may select a Bible study or a discipleship course from the list in this brochure. Prayerfully select a class that will challenge and encourage you in your faith development. It is God's desire that each one of us continues to mature as followers of Christ.

I pray that you, being rooted and established in love, may have power, together with all the saints, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.
Ephesians 3:17-19

How do I choose a class?

The 2021 Fall semester of CrossPoint University includes seven classes. Some classes focus on theology and will help you know God better and more clearly understand how he interacts with us. These classes provide important insight into how God relates to us and wants us to grow as his children.

Other classes address practical, everyday challenges with answers from God's word. These classes provide excellent opportunities for you to learn to regularly apply God's word in your relationships, in handling God-given resources, in approaching life from a biblical perspective, and more.

Prayerfully choose a class that will be most helpful as you continue to develop as a follower of Christ. If you choose a six-week class, you will have the opportunity to take two classes during the 12-week semester.

If you have a question about a class or about CrossPoint University, please feel free to contact Chris Howell, Minister of Adults, at 205.655.0364 or chowell@crosspointchurch.info.

In this verse-by-verse study of Hebrews, you will explore how God "provided something better for us" in the person of Jesus Christ (Hebrews 11:40). Set Apart for the Work: Following the Apostle Paul into the Nations (6 weeks: 1st 6-weeks only)

The history of the Church has known no greater missionary than the Apostle Paul. His understanding of the Gospel, passion for reaching the lost and willingness to sacrifice his own life for the advancement of God's Kingdom have shaped the way that the Church lives out her mission in the world for almost 2000 years. During this study, we will explore Paul's theology of missions as well as his methods in their first-century context in order to apply them to the present day as we continue to take the Gospel to all nations.

Effective Ministry: One-on-One (6 weeks: 2nd 6-weeks only)

At CrossPoint we believe that every member is a minister. As a member, you are expected to minister to others. But as you minister, you may ask, "How do I do this? How do I visit and minister to people in various stages and situations of life?" In this class we will explore effective ways to help the seriously ill, the hurting, the lonely, the grieving, and the rebellious whether they are believers or spiritually lost.

Something Needs to Change (6 weeks: 2nd 6-weeks only)

When David Platt took a trip to the Himalayan mountains, the staggering hardship he witnessed transformed the trajectory of his life. In this study, he's inviting you to reflect and wrestle with him as he describes his life-altering trek through the Himalayas. You'll ask hard questions alongside Platt about human need, suffering, faith, the gospel, and our role. For Christians, ignorance of profound human need is not an option. Neither is indifference. It's time to explore what it means to follow Jesus in a world of urgent physical and spiritual need.

Offered: Sep 29 - Nov 3 Leader: Harlan Taylor Time: 6:30 PM Room: E104
