SPRING
SEMESTER

February 1 - April 26

WHAT IS CPU:

It is an incredible opportunity for growth and development in your relationship with Jesus Christ. **CrossPoint University** is a Wednesday evening program that gives you the opportunity to choose one of several classes offered that will help you grow in knowledge, practical application, and skill as a Christian. **CPU** provides an excellent opportunity for you to learn to regularly apply God's word in everyday life.

This semester the same 5 classes will be offered in two 6-week mini-semesters. The first mini-semester is from **February 1 - March 8** and the second mini-semester is from **March 15 - April 26**, with the exception of Financial Peace University (which concludes **April 5**). On **March 29** (the week of Spring Break) we will not meet.

FPU is offered February 1 - April 5:

CPU SPRING 2023 CLASSES

Classes offered February 8 - March 15:

Go Therefore and Make Disciples: An In-Depth Study of the Great Commission

In Matthew 28:18-20, Jesus gave his disciples a Great Commission. His disciples spent the remainder of their lives carrying it out, and this very Commission has been passed to us today. We will spend six weeks asking detailed questions about this Great Commission with the hope of walking away with a deeper understanding of what our Lord has called us to do as those who go and make disciples in the name of the Lord. Led by **Buck Poole**.

When: 6:30PM Where: Room E107

Raising Boys and Girls

Raising Boys & Girls will help you learn what it means to call out the unique identity of the kids you love. During the first six-weeks (**February 1 – March 8**), we will dive into the hearts of girls to help adults understand the different stages of development for girls: what is normal, what is not, and how to relate effectively. During the second six-weeks (**March 15 – April 26**), parents will understand and explore the hearts, minds and ways of boys and the vital role we play on the journey from boyhood to manhood. Led by **Layne Ferguson** and **Jen Burks**.

When: 6:30PM Where: Room E106

Romans: Rated R for Redemption

This class will be focused on the authorial intent of the apostle Paul in Romans for the purpose of deepening our knowledge of Jesus himself. Our study will be heavily driven by biblical hermeneutics to attain clarity of the redemption that is in Christ Jesus. Led by **Tony Morrison**.

When: 6:30PM Where: Room E100

Defending the Faith

You can learn to overcome the most common objections to Christianity through the study of apologetics and natural theology. You can also learn to defend your faith and present evidence of the truth in our foundation in your conversations with others. Led by **Sean Day**.

When: 6:30PM Where: Room E102

The Power of the Holy Spirit's Names

Living Water. Helper. Lord. Many believers long for a clearer understanding of the Holy Spirit and the role he plays in our relationship with God. We will examine 12 of the Spirit's most significant titles and what they reveal about this powerful, present, and personal expression of the triune God. You'll learn how the Spirit moves within the hearts of believers and how his indwelling shapes your unique faith. Led by **Chris Howell**.
