# 2024 Winter & Spring Semester

**January 31 - April 24**

# 2024 CPU WINTER & SPRING CLASSES

## THE HISTORY OF THE CHURCH

Have you ever thought about the following questions? When did the church begin? Where does the church get its authority? How did the Roman Empire affect the early years of the church? How was Christian theology formed? What are the church's historical traditions, and how do they compare with Scripture? When and why did the church split into Eastern and Western divisions?

We will answer these questions and consider other historical events that influenced the development of the Christian church. Also, we will look at the creeds and catechisms that the church has used and explore how we obtained the Bible. **Led by John Metcalf.**

**When: 6:30 PM**

**Where: E102**

## THE GOSPEL OF MARK

The Gospel of Mark chronicles Jesus' journey from Galilee to Jerusalem. Along the way, the Messiah gathers a ragged band of disciples. As crowds grow and dwindle on the road to Jerusalem, only a few stick by the suffering Savior on the journey of discipleship.

In this series, we will hear from Francis Chan, as he walks along the ancient ways of the Master. Tracing the steps of Jesus and the Twelve through Israel, Francis explores the major themes of the Gospel of Mark, and asks: Are we willing to take this journey to embrace discipleship? **Led by Chris Howell.**

**When: 6:30 PM**

**Where: E106**

## CROSSPOINT MISSION TEAM LEADER TRAINING

This training is for our current CrossPoint short-term mission trip leaders and their immediate co-leaders. The course will provide training and resources to further equip you to lead our teams to fulfill the vision of CrossPoint on the mission field. The class will also allow for cross-collaboration between our mission team leaders. **Led by Buck Poole.**

**When: 6:30 PM**

**Where: E100**

## CHERISH (FOR MARRIED COUPLES)

Couples pledge "to love and to cherish" on their wedding day. Why is there so much talk about love in marriage but not about what it means to cherish? Learning to cherish each other turns marriage from an obligation to a delight. It lifts marriage from a commitment to a precious priority.

During this course, couples will have the opportunity to have a date night every week, complete with their own table for two and desserts. Couples will work through various topics. Some topics include cherishing one another, communication with one another, and sacrificing for one another. This class has a limit of 15 couples per mini-semester. **Led by Kaleb & Jen Burks and Walt & Susie Gunter.**

**When: 6:00 PM**

**Where: E107**

**Cost: \$35.00**
