

## FAQ's for CrossPoint Media Ministry

### 1. What is the purpose of the media team?

The CrossPoint Media Team exists to glorify God by Reaching Just One More to become a fully devoted follower of Jesus Christ. It supports the church by creating and managing multimedia content, including audio, video, and digital presentations, to enhance worship services and outreach.

### 2. What roles are available on the media team?

Roles include audio engineering, video camera operators, graphic designers, social media managers, light engineering, broadcast switcher, computer presentations, and content creators. We welcome a variety of skills!

### 3. Do I need prior experience to join the media team?

No prior experience is required! We provide training and resources for all skill levels. A willingness to learn is what matters most.

### 4. How often does the media team serve?

The members are expected to serve once a month at their area of service they volunteer for.

### 5. What equipment do I need to know how to use?

Familiarity with basic audio/visual equipment is helpful, but training will be provided. Key equipment includes cameras, broadcast switcher, light widgets, microphones, projectors, and editing software.

### 6. Can I join if I have a busy schedule?

Absolutely! We understand that schedules vary. We work to accommodate volunteers by creating a flexible schedule and assigning roles once a month.

### 7. What kind of training will I receive?

Training sessions cover technical skills, software usage, best practices for worship media, and team collaboration. New members will receive mentorship from experienced team members.

### 8. Will I have opportunities to be creative?

Yes! We encourage creativity in content creation, design, and multimedia presentations. Your ideas and input are always welcome.

## 9. How does the media team support services?

The Media Director prepares and manages all audio-visual elements before services each week and each volunteer will provide support for that respective area which may include: sound, live streaming, lights, video presentations, and visual aids.

## 10. How can I stay updated on media team activities?

We communicate through planning center services, an online worship and media scheduler that can provide email, text messages and calendar dates for various events throughout the year. Make sure to provide your contact details to stay informed!

## 11. What if I want to focus on a specific area, like social media or video editing?

You can specialize in a specific area! We encourage members to pursue their interests and develop skills in areas they are passionate about.
